

# Saturday Out

## with my Best Fur Friend

Current and aspiring members of the Pet Lovers Junior Club (PLJC) flocked to the United Square with their parents in tow on 16 June 2018 for the Saturday Out with My Best Fur Friend (BFF). The workshop was a success. Nothing was spared when it came to learning and fun.

The event kicked off with a short introduction of the PLJC, 1010 Mother & Child Essentials (10 10) and SOSD Singapore (SOSD). Then, Pet Lovers Centre's (PLC) Pet Care Consultant explained how dogs can be our BFF, plus the charm of the cutest pup from SOSD that totally delighted everyone!

The children got to meet Puku Penguin, who mesmerised them with amazing colours and charm. Then, they were ushered to the mall's main atrium for a preview of the Wild City Rescue, the Toggle event promoting the adoption drives of Action for Singapore Dogs, Cat Welfare Society and SOSD. They interacted with more animals while their parents echoed their support by purchasing merchandise.

Each participant went home with a bag chock-full of goodies worth \$45, sponsored by PLC and 10 10. Full proceeds of the fees were donated to SOSD for their support too. Not bad for an afternoon about BFFs!
